

Mist

1. Open your Mist application
2. Click the "Send" tab on top panel

3. Enter the address, that you took from Dao.Casino official web-site in field "To"

4. Choose the wallet, from which you would like to send funds

5. Choose the amount of Ether you'd want to send

The screenshot shows the 'Send funds' screen of a wallet application. At the top, there's a navigation bar with 'WALLETS' and 'SEND' tabs. The 'SEND' tab is active. To the right of the tabs, there's a status bar showing 'peers', '3,730,352 blocks left', and '3%'. Further right, there's a 'CONTRACTS' tab and a 'BALANCE' section showing '0.00 ETHER'. The main heading is 'Send funds'. Below it, there are two input fields: 'FROM' (with a wallet icon) and 'TO' (with a placeholder text 'Enter the address, that you took from Dao.Casino official web-site'). Below the 'FROM' field, there's an 'AMOUNT' field with a red arrow pointing to it, showing '0.0'. To the right of the 'AMOUNT' field, there's a currency selector showing 'ETHER' and a balance of '0.00 ETHER'. Below the 'AMOUNT' field, there's a checkbox labeled 'Send everything' and a summary line 'You want to send 0 ETHER.'. At the bottom left, there's a button labeled 'SHOW MORE OPTIONS'.

6. Set up the Fee on the Fee bar. Try to avoid the “cheaper” end of the bar, because you might be too slow to purchase

The screenshot shows the 'SELECT FEE' section of the wallet application. It features a horizontal slider bar. Above the bar, the text 'SELECT FEE' is displayed. Below the bar, the text '0.285 ETHER' is shown. The slider bar has a dark grey knob in the middle. Below the bar, the text 'CHEAPER' is on the left and 'FASTER' is on the right.

7. Click “Send”, after that you will see details of your transaction. Make sure everything is OK, enter transaction and click “Send” once again.
8. Now your contribution is done, you may check the details in “Transaction History” in your wallet account
